WHAT TO DO:

- Find a good angle to showcase your case study e.g. take the script/transcript notes from a video from here - <https://www.youtube.com/@JulianGoldieSEO/videos>:
- Turn that into a 2 step give away: Goal = Get as much engagement as possible
- **Examples of great 2 step posts:**
 - [Skool example](#)
 - [Facebook example](#)
 - [YouTube example](#)
 - [X example](#)
- [Track the post URL + comments here](#)

2 Steps Checklist:

- ☐ IDEA: Is this a TRENDING + VALUABLE + FREE Giveaway?
- ☐ [Is it from a recent video here?](#)
- ☐ Is it unique and never been seen before? Don't use the same thing over and over.

COPYWRITING:

- ☐ - 1st line should be a benefit driven question to hook them in
- ☐ - Short: 3-4 lines
- ☐ - Every line should be benefit driven and focused on how it helps them. [Example](#)
- ☐ - Each line should be 6-12 words maximum
- ☐ - Bold the most important parts
- ☐ - Make the emojis BRIGHT + attention grabbing

IMAGE:

- ☐ Each image should be a different colour: Don't use the same colours each time
- ☐ Different design/layout: Don't use the same colours each time
- ☐ - Bright
- ☐ - Clear
- ☐ - Attention grabbing
- ☐ - You can use the image from the video

CTA:

- ☐ Follow, like and reply "YES" and I'll send it you! 💪

PROMPT FOR THE HOOK:

Give me 10 2 line hooks, dan kennedy/Alex hormozi style, selling the benefits of this as an SOP giveaway. Don't make anything up. Separate lines + shot. Stack as much value into it as possible. Don't make the sentences long. 3rd grade language. The first line needs to blow people away with value. Super relevant. Not all in capital letters. Example:

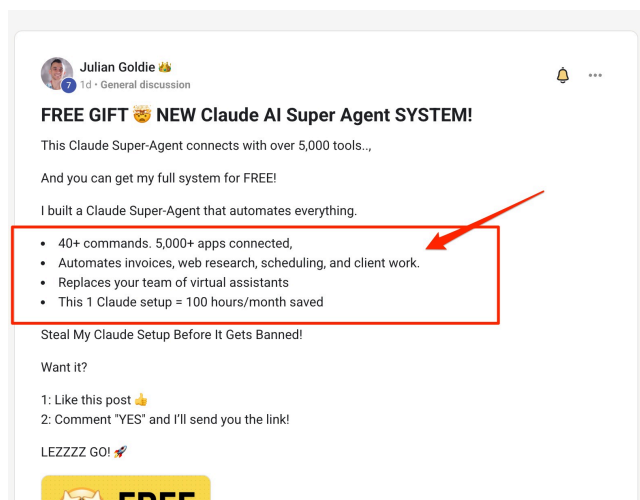

FREE SEO Course (That Made Me \$100K+)... Yours NOW!

Snag a free (normally paid) SEO course with 100+ video tutorials, 100+ SOPs, 50+ ChatGPT SEO prompts, 120 SEO tips, plus a 30-minute SEO consult, all for free!

Make the 2nd line list all of the crazy stuff people will get for free + why it's valuable in a short concise sentence. Example like this: Snag a free (normally paid) SEO course with 100+ video tutorials, 100+ SOPs, 50+ ChatGPT SEO prompts, 120 SEO tips, plus a 30-minute SEO consult, all for free!

BULLET POINTS:

- For the post itself, include some benefits focused bullet points too like this.
- [This tool is great for that](#)

SKOOL:

- When you post on Skool, keep the headline much shorter
- Keep the copywriting really benefit driven and powerful
- My [Example post here](#) VS [Rico's post here](#)
- I posted the same thing with a shorter headline, better bullet points etc and my post got way more comments VS yours

On your Skool posts, pin a comment with our funnel links here too:

When you post a new 2 step on Skool:

- Pin your 2 step on the feed too (and unpin the last 2 step)

Posting on Facebook:

- Format it nicely
- e.g. h2 heading
- Nice bullet points
- Reduce the line spaces
- Bold formatting on the headers
- When you've posted them, double check the formatting > Tweak and fix it until it's correct

What it should look like:

The image shows a Facebook post from a group called 'AI SEO Accelerator'. The post is by Julian Goldie, who is an Admin and Group expert. The post is dated 'Yesterday at 03:35'. The main text of the post is 'FREE GIFT 🤖 NEW Claude AI Super Agent SYSTEM!'. Below this, it says 'This Claude Super-Agent connects with over 5,000 tools..'. Then it says 'And you can get my full system for FREE!'. Below that, it says 'I built a Claude Super-Agent that automates everything.' followed by a list of bullet points: '40+ commands. 5,000+ apps connected,', 'Automates invoices, web research, scheduling, and client work.', 'Replaces your team of virtual assistants', and 'This 1 Claude setup = 100 hours/month saved'. Below the list, it says 'STEAL MY CLAUDE SETUP BEFORE IT GETS BANNED!'. Then it asks 'Want it?' and provides two instructions: '1: Like this post 👍' and '2: Comment "YES" and I'll send you the link!'. The post ends with 'LEZZZZ GO! 🚀'. There are several red arrows pointing to specific parts of the post with labels: 'Bullet points' points to the list of bullet points, 'H2 heading' points to the main text 'FREE GIFT...', and 'Bold formatting' points to the text 'STEAL MY CLAUDE SETUP BEFORE IT GETS BANNED!'.

are too big:**

them!**

Posting on X:

- Like this: <https://x.com/aiseomastery/status/1918269233156505672>
- Post on AI SEO Mastery > Retweet on our main account Julian Goldie SEO
 - Just retweet the AI SEO Mastery tweet from our main account
 - NEVER post it directly to our main account: Because you can't afford to our account banned
- NEVER reply directly from our main account: Protect it
- Via the AI SEO Mastery account you can reply directly on the tweet (no need to use DMs) but whatever you do, don't use our main account.
- On x, for 2 steps, try making the lines shorter + bolden the most important parts to get more engagement
 - No lines longer than 8-10 words
 - Make the post much shorter: Like 3-5 lines

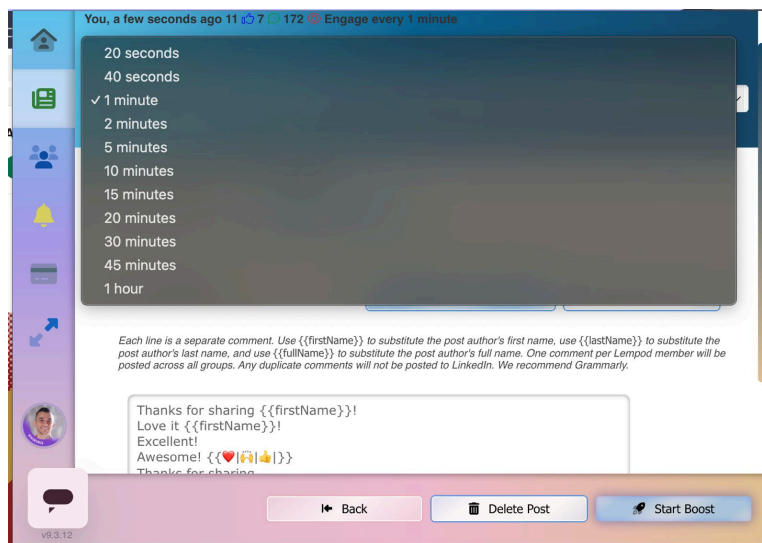

Posting on LinkedIn:

- Comment on other people's posts 15 mins prior before you post
- Like our own posts, as soon as you post it
- In the first hour or so, comment 1-2 times inside the post and post an image inside the comment (more time from people on the post = More reach) e.g. extra comments on the same topic, extra value etc in the comments
- You can use Lempod BUT tone it down way more: Space out the comments over 24 hours. NOT all the comments/likes at once. Maximum 15 comments on the posts
- On your linkedin posts, add 2 comments please (pin the funnel links but I mean more like a useful takeaway or interesting post etc). More comments = More time on the post = More reach.
- <https://www.linkedin.com/feed/update/urn:li:activity:7325858203076866048/>

LEMPOD:

- When you run Lempod, only do it one time per day: And only do Lempod on the 2 step post (not the others)
- Spread comments across 1 hour. maximum is 1 hour. We can try since it runs for 4 hours only.

How to Reply:

1: Add the actual training to the free course:

- Because you'll need to make sure people can use the SOP/video etc inside the free course for step #3 below

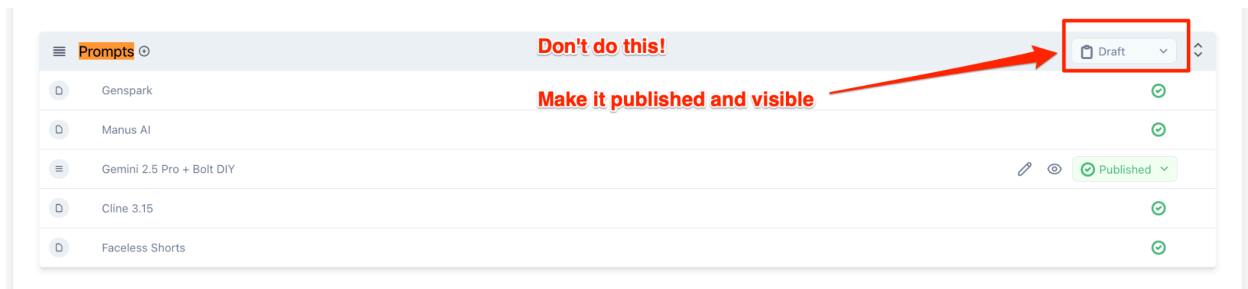

- You can create the SOP with this:

<https://chatgpt.com/g/g-lnu75e29a-video-transcript-to-sop-creator>

- Paste the SOP into the GHF (don't put it in a Google Doc otherwise if the doc gets deleted, then it's not useful)

<https://app.gohighlevel.com/v2/location/fkbqxTGqbrgeJWiBNY3n/memberships/courses/products/d99b7720-dc05-4c7c-9510-3c43bba586e4>

If you add a new section in the free course, **make sure you put it in published NOT draft:**

2: Reply to everyone within 24 hours:

3: Include details on how to access the training in the free course:

- Include instructions on how to get the training
- When you post the 2 step replies tell them exactly where to get it
- e.g. Free AI Tools > Deep Agents Section > SOP is in there

4: Below, in the same comment, underneath your response, add this too:

Making Sure Everyone Gets A Response:

Every day, please go through the 2 steps here you've posted and check if any comments have been missed:

<https://docs.google.com/spreadsheets/d/19EAkFQ-jz83jgVSUFwRdZA33ZnxqZwztn2J0XGfJf4/edit?gid=0#gid=0>

This way everyone gets a response even if they posted a comment later.

The goal here = Don't miss anyone out.

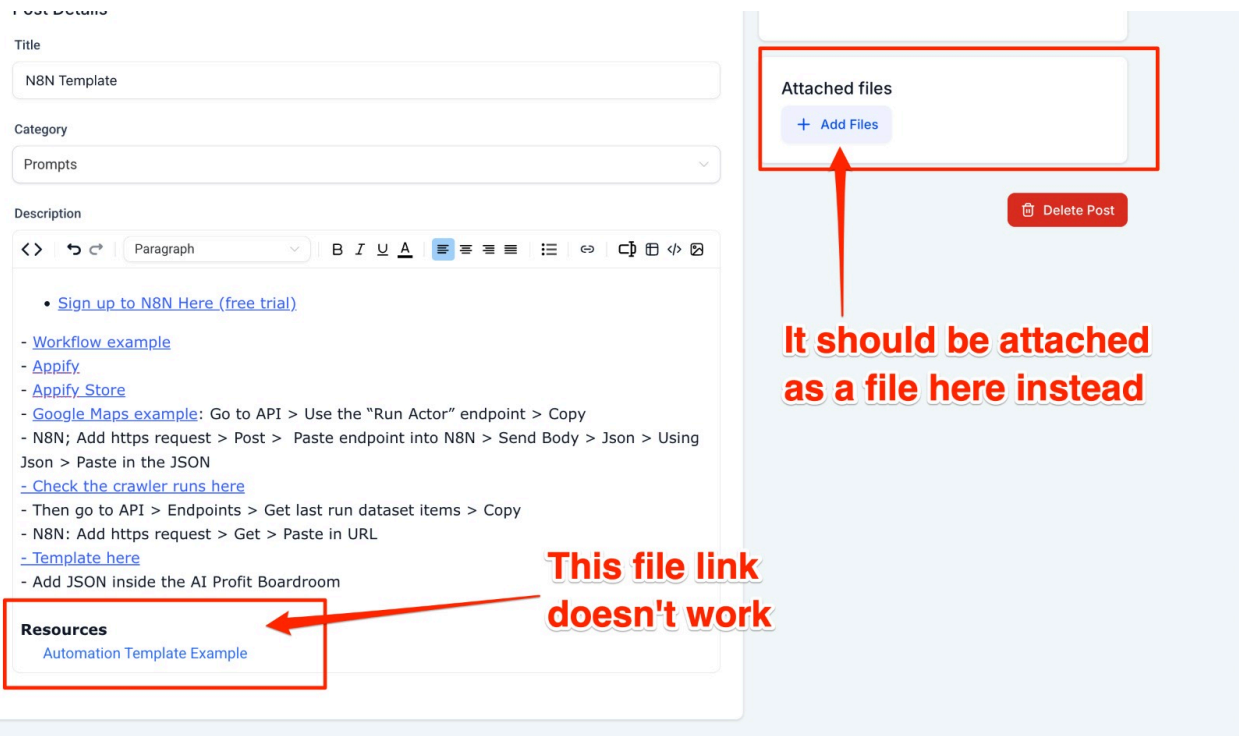

Easy way to do this is:

1: Select all the links here and if you're on a mac, press Command + Enter to open them all up at once and blast through them:

<https://docs.google.com/spreadsheets/d/19EAkFQ-jz83jgVSUFwRdZA33ZnxqZwztn2J0XGfJf4/edit?gid=0#gid=0>

2: Sort the comments by "Newest First" > Then copy/paste the responses:

This whole process should only take a few minutes.

For file attachments from Skool to GHL: e.g. an N8N JSON template:

- Don't copy/paste the attached file from Skool into the GHL description
- Because it won't be clickable or downloadable if you test it in GHL
- It should be attached as a file instead on GHL
- Example above
